Boston, MA 02116

RE: FFYs 2025- TIP Amendment #9

Mr. Mohler,

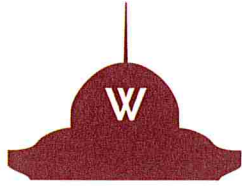

Please accept this letter of support from the Town of Wakefield for TIP Amendment #9 which programs design and construction funds for the Broadway At-Grade Rail Crossing Improvement Project here in Town. The project proposes to install a new four quadrant gate system improving safety at the crossing. Additionally, the project will enhance the Town's pre-rule quiet zone status which provides a major quality of life benefit for the businesses and citizens of Wakefield.

If you have any questions regarding the project, please reach out to the Town Engineer William Renault at 781-246-6308.

Respectfully Submitted,

Michael J. McLane, Chair
Wakefield Town Council
